**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a customer of Sonic for my DSL internet. I like that they compete with Comcast for market share of internet providers.

Competition is vital to keeping American consumers within their budgets for broadband services. Broadband is now as vital to American consumers as our roads and other infrastructure. I use it to pay bills, get groceries delivered, and run my small freelance business from my home.

Pls. keep competition alive for American broadband providers.

Thank you for listening.
